# The latest in the law from BNA

---

## **Securities Regulation & Law Report**

---

When you need to keep up with rapidly changing financial market regulations, rely on BNA's *Securities Regulation & Law Report*. This weekly information service offers concise coverage of federal and state securities law and regulation; corporate governance and attorney responsibility; enforcement activities; commodity futures regulation; and accounting standards and practice.

## **Corporate Practice Series**

---

Designed for corporate lawyers, BNA's *Corporate Practice Series* is a time-saving service offering a series of portfolios, prepared by practitioners, treating specific areas of corporation law.

## **The Family Law Reporter**

---

Keep up with the rapidly expanding field of family law with BNA's *Family Law Reporter*. Each week, you'll get nationwide coverage of precedent-setting cases in divorce, alimony, child custody, juvenile court cases, and tax aspects of family law. Reference file includes full text of federal laws, selected state statutes, and a quick scan summary of state divorce codes.

## **Antitrust & Trade Regulation Report**

---

If you must stay abreast of significant antitrust and trade regulation developments, rely on BNA's *Antitrust & Trade Regulation Report*. You'll receive weekly notification of key federal, state, and local news. Coverage includes the Department of Justice, the Federal Trade Commission, state and federal courts, and private enforcement.

## **The United States Law Week**

---

For more than 50 years, *The United States Law Week* has been helping lawyers prepare briefs, argue points, and win cases. You can turn to this weekly information service for news and analysis of legal developments, precedent-setting cases, and full text of selected federal statutes. You'll also receive same-day notification of all Supreme Court decisions, in full text.

## **Media Law Reporter**

---

For the latest decisions affecting the full range of communications law issues—including interpretations of the First Amendment, copyrights, and FOIA, turn to BNA's *Media Law Reporter*. Weekly coverage includes full text and digests of federal and state media law decisions on both print and electronic communications.

**Call toll-free 800/372-1033**

(In Maryland: 800/352-1400; Washington, D.C.: 258-9401) or write for our free catalog.

# Questioning Techniques and Tactics

by Jeffrey L. Kestler

Presenting new principles and techniques  
that can give you the winner's margin  
of victory in litigation!

At last, here is a book that takes a fresh look at advocacy and the skills required of the new breed of litigator who must be expert in the examination of witnesses, both before and during trial.

Here is what you get in this comprehensive work!

**Truly a how-to handbook with succinct guidance...**

- ...that inspires confidence in advocates by discussing pitfalls and mistakes even the best lawyers make—and how to deal with them
- ...that offers pertinent examples to illustrate well-thought-out principles clearly articulated techniques you can use at once in your own work
- ...that explores not only existing questioning techniques and tactics but also suggests many new approaches.

**Comprehensive in scope, with broad-ranging discussions of...**

- ...questioning strategy in discovery and at trial
- ...cross-examination explored from a NEW tactical perspective
- ...witness control
- ...psychological aspects of questioning including discussion of non-verbal tactics
- ...specific questioning tactics
- ...handling opposing counsel
- ...handling specific types of witnesses
- ...witness preparation
- ...plus much, much more.

**Special features include...**

- a full chapter of scholarly analysis about Fifth Amendment privilege—valuable for both the attorney whose client claims it and for one who must question a witness who claims it
- an entire chapter about depositions, including modern techniques such as videotaping, tape recording and telephone depositions

- a unique chapter devoted to the female litigator's special concerns.

Put **QUESTIONING TECHNIQUES AND TACTICS** to work in your own practice for 30 days at our risk. See for yourself why more and more litigators are relying on this new text to help them question witnesses more effectively than ever before. Order today.

1982 edition, approximately 450 pages. Annual updating planned. One hardbound volume, \$65 plus \$3.40 postage and handling.
