*Periodical Index*, 2 B.C.L. Rev. 187 (1960), <http://lawdigitalcommons.bc.edu/bclr/vol2/iss1/41>

This Significant Law Review Article is brought to you for free and open access by the Law Journals at Digital Commons @ Boston College Law School. It has been accepted for inclusion in Boston College Law Review by an authorized editor of Digital Commons @ Boston College Law School. For more information, please contact [nick.szydowski@bc.edu](mailto:nick.szydowski@bc.edu).

amendments leading up to the final adopted provisions are discussed, as well as the technical deficiencies and ambiguities found in the statutory language. The evaluation made of each section shows some failing to accomplish their intended purpose. Thus prevention of union membership for racial reasons is still possible because of the failure of the Act to guarantee the right to join a union and share equally in the benefits of membership. On the other hand the section spelling out the details of a member's right to sue constitutes a distinct advance and is commended. A warning is sounded that indifference of members to their union's organization and government must be remedied before labor legislation dealing with the problems covered by the Act can be successful. Although the Act is subject to criticism as an attempt to legislate democracy in a private institution, it is welcomed as establishing standards of conduct for our national labor policy.

In the second part of the article consideration is given to Title VII which incorporates the amendments to the Taft-Hartley Act. Again a provision-by-provision analysis is had of the amendments dealing with secondary boycotts, hot cargo clauses, organizational and extortionate picketing, and the matter of federal and state jurisdiction. Here the author finds the Act reflective of a weakness in our legislative processes in that Congress neglected to make proper use of the expert advice of the Senate Labor Committee with resultant ill-advised changes in the final text of the Act.

The ultimate effectiveness of this section, it is concluded, will depend primarily on moderate and considered administration by the National Labor Relations Board.

Professor Aaron's article gives the reader fuller appreciation and understanding as to exactly what the Labor Management Reporting and Disclosure Act does and does not accomplish, and as such is required reading for those connected with labor or management, as well as those desiring an intelligent understanding of our national labor policy and its trends.

JOHN J. DESMOND, III  
*Case Note Editor*

## PERIODICAL INDEX

### ANTITRUST LAW

- Bid Depositories. G. H. Schueller, 58 Mich. L. Rev. 497 (February 1960)  
Competition or Control: Motor Carriers. G. E. Hale, R. D. Hale, 108 U. Pa. L. Rev. 775 (April 1960)  
Criminal Prosecutions for Violations of the Sherman Act: In Search of a Policy. V. H. Kramer, 48 Geo. L.J. 530 (Spring 1960)  
Current Federal Policy on Antitrust Matters. V. R. Hansen, 4 Antitrust Bull. 541 (July-August 1959)  
Exemptions from Federal Antitrust Laws: A Symposium. 20 Fed. B.J. 3 (1960)

- Practical Aspects of Conducting Antitrust Proceedings: A Symposium. 4 Antitrust Bull. 635 (September-October 1959)
- The Evisceration of Section 5 of the Clayton Act. R. Hardy, Sr., 49 Geo. L.J. 44 (Fall 1960)
- Using Government-Obtained Judgments to Prove the Conspiratorial Nature of Subsequent Refusals to Deal: The Joker in Private Antitrust Litigation. 69 Yale L.J. 462 (January 1960)

ARBITRATION

- Arbitration. M. Domke, 35 N.Y.U.L. Rev. 600 (March 1960)
- Arbitration—What is it? W. A. Sturges, 35 N.Y.U.L. Rev. 1031 (May 1960)
- Judicial Review of Arbitration: The Judicial Attitude. F. T. F. Jolet, 45 Cornell L.Q. 519 (Spring 1960)
